

I'm a proud San Bruno native, 44-year resident and reside in Crestmoor Park with my 3 daughters. This is not just our home, it is our community. San Bruno is a growing business hub and a wonderful place to raise a family. Our city has helped shape who I am today, and I will put my vast experience, accumulated knowledge and business acumen to work for you.

I'm a father, businessman, and philanthropist who gives of my time and expertise. As a child I was taught the importance of civic engagement and those lessons are with me still. I served several years on the San Bruno Parks and Recreation Commission, two terms as St. Robert's School Board President and was President of the San Bruno Rotary Club. I also served two years as President of non-profit Star-Vista.

When working to improve our community for the future, it is essential to create a respectful, transparent, and collaborative environment between all parties. My common sense approach has been one of the fundamental principles of my leadership style and has earned me endorsements from Supervisor David Canepa and Sheriff Carlos Bolanos.

Now, I'm asking for your support, as we work together, to honor our city's legacy, while forging its bright future. Thank you.
